drives to and from work. Rain quickly slows traffic to crawl. Worse yet, it causes streaky windshields and obscures drivers' vision, The Highway Visibility Bureau points out that 90% of driving

decisions depend on sight. If you wear glasses, be sure they're clean when you drive. Be sure your windshield is clean and your windshield wiper equipment - arms, blades, and

washers - is in top condition. Wiper arms should exert a pressure against the windshield of an ounce to each inch of blade length. If pressure is right and wiper still streaks, it means the blade is dead and calls for re-

placement or refill. Headlights should be accurately almod and all lights in working order.

COURTHOUSE INSPECTION We have made an inspection of the Hancock County Courthouse and we are pleased to report that the recommendations of the previous Grand Jurys have been met and we have never seen the Courthouse in a better condition than it exists today: the Sheriff and Board of Supervisors are to be commended for the painting that has been done and for the installation of the seal of Hancock County in the main courtroom behind the judges bench. We believe that the Board of Supervisors will have to give consideration to air conditioning the court room especially in view of the fact that in 1969 under the new court schedule we will have more court in Hancock County, We would like to recommend that trash cans be placed in the various rest rooms in order to preserve the clean condition of the court-

Parking continues to be a problem for those who have business at our courthouse. We would like to suggest that the Board of Supervisors give consideration to moving the curb in on the East and West side of the Courthouse, particularly to provide angle parking, this would accommodate more automobiles. We also understand that there will be a possibility of buying or leasing property South of the courthouse and across the street, which could be made available for more parking space. THE JAIL

house.

We inspected the jail and found generally that the prisoners were well cared for and that the jail is being maintained most satisfactorily by the Sheriff. We did find however, that the stove in the fail needs replacing and we believe that it would be more economical for . the county to purchase a washe. ing machine to do the necessary laundry of the jail. We found that it is now costing approximately \$5.00 per week to send out the sheets and this could be done in the tail. There continues to be a problem of housing of tuveniles who must be detained by the sheriff and we recommend that the Board of Supervisors give consideration to the building of juvenile cells for the detention of children when it is necessary. We also believe that some revision should be made in the cells where women are housed in the tail in order not to place them in open cells.

HOME FOR THE INDIGENT We visited in body the present home for the indigent and we found that generally this home is being well run and operated, and their needs appear to be well cared for. We would, however conclude that the home should have a new heating system of the central type because the system it has now is not sufficient to properly heat the building during the winter months. One bathroom also needs some repairs and this should be done.

HANCOCK COUNTY HOS-PITAL We visited the Hancock

County Hospital and were treated to a tour of the installation and to a fine lunch at the hospital itself. We are pleased to say that this important facility is well run and apparently doing an excellent job for the people of our county. We would like to recommend that the Board of Supervisors give consideration to renting a mobile building to be installed near the hospital to be used as a class room building for the student purses. This is a fine program, but at the present time they are forced to utilize two patient rooms and the solarium. BAY ST. LOUIS RECOMMEN-

300 acres have been cleared. The bond issue which we understand is now being financed will be applied to the completion of these projects. We were very much impressed with the overall plan of development of this area by the Port and Harbor Commission and the Board of Supervisors. This project when it is opened will provide suitable industrial development and many jobs and employment for the people of Hancock County. We are advised that most areas including our neighboring counties of Harrison and Jackson to the East have obtained greater industrial development by making industrial sites accessible County has never had the advantage of this type of industrial development in the past. This Grand Jury hopes that all citizens of the county will acquaint themselves with the importance of the projects and we

We want to commend Mr. Lucien Kidd for the tremendous job he is doing with the Civil Defense program in Hancock County. LAW ENFORCEMENT

We would like to especially commend Sheriff Curet, his entire staff and the police officers of Bay St. Louis and Waveland for the conditions of law enforcement which we find in the county at this time since the last Grand Jury recommended a close co-operation between these officials, and we find that they are co-operating with the constables and the Highway Patrol and the result is felt by the reduced crime rate. We especially would like to commend them on their interest on con-

It has been rated a weak sister in football, mostly because they only started a few years ago. But it's going to be different this year with transfers from

other schools. Friday night they invaded Sumrall, a good team, and wor 5-0, not a fair measure of the game assumrall was outplayed, but good. For instance they amassed a total offensive yardage of 237 against Sum-

rall's 74. HNC's coach, Pat Morris is young and has the ambition to go with it as does quarterback Dennis Peterson, a senior and a re-lation of the famous Eddie Peterson.

The single touchdown came in the third quarter and was made by fullback Robert Jackson, a new transfer student, on a right end sweep. The team also displayed good defense with Gilbert James, Greg Shaw, Clyde Moran and Jeff Larson. Only weakness seems to be in the backfield.

North Central means business this year and has added two assistant coaches making four. They are Jimmie Shippey, junior varsity and Demsey Bounds, peewee coach and varsity defensive line. Paul Thomas, and old timer at HNC is handling the overall offensive

Stone Tomcats' Claws **Too Sharp For Tigers**

Stone's Tomcats had to cool their paws for 30 minutes Friday night waiting for Bay High's Tigers to show for the season's opening football game, but it paid off -- the Tomcats won 26-12 in a Gulf Coast Conference Game at Perkinston Junior College A.L. May Stadium.

The game was delayed when Bay High's bus broke down en route to Perkinston and had more trouble after arriving.

Stone, a big, strong team was too much for the smaller Tigers tallying 20 points in the first quarter. Stone's fullback Richard Bond scored after an 85-yard drive for the first touchdown. Then with a 24-yard sprint around left end Bond again scored climaxing a 75yard drive. Holding a winning margin the Tomcats drove 45 yards before the quarter ended for another touchdown. The final td came on 75-yard march in the final quarter, quarter-back Billy Hickman circling end

from five yards out for the tally. Bay High scored in the second period when alert and experienced halfback Mike Benigno picked up his own fumble and galloped 72 yards to pay dirt. in the third quarter Benigno scored again when he got loose around left end and went 88 yards for the Tigers second

tally.

The Tigers of Lance Lumpkin play their first home game Friday against another tough opponent, Pass Christian, last week's conquerors of Vancleave. Coach Billy Miller's Tomcats host George County

on the same night.
Statistics, with Bay High first, are: first downs, 5-11; passes attempted 13-26; completed 4-9; intercepted by 0-3; fumbles by 4-5; lost by 2-2; yards rushing 183-198; passing

Leave, Novices Received

On Saturday, September 7, ten new novices were received into the Novitiate of the Society of the Divine Word at St. Augustine's Seminary. Their entrance was marked by a dedication of purpose ceremony followed by a solemn Mass of concelebration, presided over by Rev. Charles Burns, S.V.D., substituting for Very Rev. John Bowman, S.V.D. Provincial, who was confined to a New Orleans's hospital, The ten new novices, Fraters Michael Blume, John Budenhoizer, James Burnett, Curtis Guillory, Thomas Manning, James Martin, James Pawlicki, Terrance Savoie, Dan Schwieterman and Mark Thelen, coming from seven different states, will spend one year in Bay St. Louis as part of their formation as missionary priests.

Sunday morning, September brought an overflow crowd St. Augustine's Seminary Chapel for the profession of the three vows of poverty, chastity and obedience by ten Novices

who had completed their year of spiritual training. With religious profession the novices became full members in the Society of the Divine Word. Mass followed in which two of the recently received Novices aided in the liturgy with a guitar accompaniment. Friends and guests later enjoyed a buffet luncheon in the Father Wendel Memorial Wing. EARTHSHAKING EVENTS of all morts took place in Hancock County and the rest of the worldon Saturday, just as they always do-there was one of the largest and lovilest weddings ever-Seminary priests took vows in impressive ceremonies—Hap Glaudi's family visited in the Bay — all good news, BUT, THE EVENT of events, at least to your weary writer,

was the arrival of new Echo publisher Ed Hall and his attractive wife Mary Elizabeth, who came in just in time to attend the Bourgeois-Cunningham ceremonies at St. Clare's.

THE HALLS, natives of Jackson, Miss, came here from Altus, Oklahoma, where Ed was with the Altus Times-Democrat. They have also lived in Laurel and Pascagoula, so are not really strangers in our midst. To save answering more questions about whose furniture was moved into the old Woodman of the World dance hall, which is now the Echo upstairs, it's Ed and Mary Elizabeth's. Their household possessions weren't due until today, but the moving van showed up a week early, and they had no choice but to allow their belongings to get to the Bay one day before they reached here. You'll all be meeting them soon, and Ed invites anyone who would like to meet and talk to him to

We realize that Edna Bourgeois Cunningham is now not only a very poised young lady, but also a wife and should so be accorded proper respect. . .but when you've known someone for 18 years as 'Aggie', it's all but impossible to refer to her in a more formal manner. Aggie made one of the lovilest brides ever when she and Irvin Cunningham were wed at St. Clare's Saturday. Her bridesmaids, including her very pretty cousin Charlotte Piazza, wore full length gowns in a misty shade of green and we'll just have to let you admire Aggle's picture. . . on this page, we hope; as her elaborate lace gown must be viewed to be properly appreciated. Her father Sidney, looking so handsome in his full dress that one would never suspect that he had been seriously ill only a few months ago; gave her away, Fr. Kevin Bambrick returned to perform the mutial rites, and was warmly welcomed by his former parishioners. Beulah (Mrs. Sidney) Bourgeois chose a most becoming frock of pink lace accented with tiny seed pearls, and Sidney, jr. was adorable in his small full dress suit. Mary Margaret, Cecile and Evelyn Turcotte, aunts of the bride and Shirley (Mrs. C.J.) Piazza, another aunt, wisely selected becoming dresses of lace in biege tones, as did the bride's grandmother, Mrs. Walter J. Turcotte.

BOTH THE CHURCH and Parish Hall were lavishly decorated with autumn blossoms and food and drink flowed seemingly endlessly.

Just a few guests included: Claire and Fred Bourgeois. (she presiding over the guest register) -- Rose Richard, Maisie and Ducre Bourgeois, Gladys and Slim Jenkins, Ruth and Fred Curet, Nancy and Lucien Gex, Lillian and Al Grass, Laura (Mrs. Alex) Hunter, lovely daughter Dianne, also a bride elect, and her mother-in-law to be. And Rose and John Rutherford, Bessie and Jimmy De Blanc, Zel and Lee Ferrell, Phyl and Jimmy Lagasse, Sterling Balaski, Margie and John Auderer; Kitty (Mrs. Ollo) Mollere, Catherine Mayer, Dr. and Mrs. Walter Hava, Ann and Henry Develle. Dr. Frank Hava, Mr. and Mrs. Roland Rossignol, the Walter Turcottes, Annabelle Fayard, Louise and Dave Markey, Jeanette and Ronnie Bourgeois, Chester Bourgeois and only a couple of hundred others.

ST. CLARE'S victory dinner for fair workers took place at noon Sunday and a great time was had by all. The food was out of this world and we won't rerun the guest list which included most of the above.

First vows of new priests occupied most of Saturday and Sunday at St. Augustine Seminary. Rites were impressive, food at the dinner which followed, delicious, BUT we were most impressed with comments of two new fathers Fr. Paul Kutylo and Fr. Gary Reaby ve much credit for the taking of their sacred vows to the people of our area who 'helped them to bring out the best in

THERE WAS A HUGE TURNOUT and some remaining to enjoy hospitality and delicious food and drink were: Mary Lee and Frank Lagarde and family, Mae (Mrs. C.R.) Beyer, Ann and Ed Howe, Mrs. Laurent Kergosien, Miss Clara Kergosien, Vic Franckiewicz,

etc., etc. FUN FOR THE MOUNGERS was the open house hosted by Chris and Norman Renshaw their elegant new Hillcrest Drive home Sunday afternoon honoring the recently appointed Presbyterian minister Rev. Dwyn Mounger and Mrs. Mounger. Again there was an abundance of food tasting just as

good as it looked, refreshing punch and freshly cut flowers were in every room in the house. Some guests included Earline and Walter Russo and daughter Leigh Ann; Polly, Doc and Caffee Lee Ramsey, Joan and Red Glass, the Herbert Wises, Noleen and Bill Breland. and many, many more.

IN FACT there was much excitement on Hillcrest Sunday. Janet and Harold Hitt's gorgeous new dwelling was the setting of an all day party for dropped in to visit with Millie (Mrs. Hap) Glaudi and daughters Terri (Mrs. James) Aime and son Jamie; and Karen, Millie and Hap's youngest, now a freshman at Southeastern in Hammond, Jennie (Mrs. Frank) Trapani had prepared a feast and everyone really had a blast. Yvette Anderson was, of course, on hand, as was Frank; also Marcia Artigues and son Ronnie; one of Jennies sisters who is Marcia's mother and a brother and his family, just

MASTER SEAN ARCENEAUX wears heirloom christening

Arceneaux Lad Christened In Old Family Dress

Mr. and Mrs. Andre J. Arceneaux, was christened Sunday Sept. 1, by Msgr. J.J. Hannon at Our Lady of the Gulf Church.

Sean wore a christening dress made by his great grand mother Mrs. A.J. Arceneaux nee Leonell Acoste in 1886 for her first born son, Lawrence J. and used by her other three sons. Lynn F. Maxine and Eddie J. the grandfather of Sean, Andre, jr. and Angelique also used the same dress.

After Eddie J. was christened, the dress was put away in a cedar chest and remained there except when loaned to friends.

When Lawrence's first child was born, the dress was taken out and used again by Shelby, and later by Milton Florabell and Charles; then stored away and forgotten for many years.

About twenty-one years ago while talking about lovely old things Mrs. Arceneaux remembered the dress and gave it to Mrs. E.J. Arceneaux, saying, "Violette I know how you love antiques, so I have one I want you to have, because I know you will take good care of it." I am sorry I did not think of it when your children were born, but perhaps the rest of your grandchildren can use it." And so they

As well as can be remembered Paul Bernheim, jr. of Gulfport was the first to use it. His mother is the former Leonell J. Arceneaux. Then, his sisters, Marsha, Michelle,

Sean John Arceneaux, son of Nancy, Amanda and brother and Mrs. Andre J. Arce- Peter all used the gown.

The children of Marie Violette (Bobbie) Helms, Michael Robert, Harvey and Vivian all used it. Mike and Bob were christened in Colorado Springs, Harvey and Vivian in Shreve-

Also the J. Menou Arceneaux children Mary Patrice, Menon, jr. M. Katherine, M. Alice and M. Margaret all christened in Lafayette, La.

The family of Donald James Arceneaux, Donald James, jr. in Brookhaven, Miss Denise and Katie in Houms, La. Andre II the twins John and Ellen in Morgan City and Judith Lyn wore the dress in New Orleans and J.H. Bonch, III, son of Jeanne A. Jeanette, Jolie, Jamie, Jay and Jeff in N.O.

Also children of Nannette and Ricie J. Gatti. The dress was flown to Germany for one christening. Guy wore it in Bay St. Louis, Bianca in Jafayette and Nannette in Park Ridge, Ill. In addition to the 32 grandchildren, two lovely great-grand children also used the dress; namely Harry J. Herbert

son of Mr. and Mrs. H.J. Her-

bert, Sr. of Houston. Mrs. Herbert is the former Stephanie Bernheim of Gulfport, and Miss Melissa Claire Irving, daughter of Mr. and Mrs. T. A. Irving of Auburn, Ala. Mrs. Irving is the former Lynn Bern-heim. Melissa was christened in Ft. Meade, Maryland.

COMPLAINT DEPT. One mother came to us with a most sensible admonition -- All traffic should halt for every school bus --- in many instances, the flashing lights and 'flip-outsigns are ignored, probably not by intention, but from lack of knowledge. We'll go into this in detail later, but for now, remember; if the life you save isn't your own--it just might be that of someone else's child!

SIGHTS AND SOUNDS A-LONG THE WAY - Exuberant teenagers hootenanny-ing on an Autumn afternoon; bright white. red imprinted hats proclaiming intentions of national third party supporters--happy little 'don't give a d---m squirrels, burying annual foodstuffs; and the sound of their meanderings -as they scramble from tree to

FISHING NOTES - Camille Shaeffer isn't just telling a tale when he reports catching a Spanish mackerel over Labor Day weekend -- he has witnesses to verify the fact.

Mayor Garfield Ladner decided he wanted some trout for dinner and returned home with a huge mess of flounder caught off the seawall.

Billy Burrow also did a bit

of fishing over the weekend. Get well EDDIE Engelhorn. our Echo sports editor has become the first football casualty of the season, having suffered a badly injured right knee in last Friday night's Valena C. Jones football fracas. He really wasn't playing--just intent when photographing action of a local Tiger gridder that he failed to see the entire opposing line descending upon him. Fortunately the camera was unhurt and he got some great action shots.

Fr. James Kelley, who should at this moment be enjoying a well-earned vacation in his native Massachusetts; did those great St. Stanislaus-Sliphotos, but escaped unharmed as his camera was equipped with telescopic lens. He's also to be thanked for lovely shots of the ceremonies at St. Augustine over the weekend. His talents are apparently unlimited!

Another big 'happening' was the visit to our local Legion home of perhaps the most famous past national commander of all time. Warren H, Ather-

Most hunters are turning their thoughts to dove hunting as the first part of the season opens on Sept. 14, and runs through October 13th. Just remember you can hunt doves providing you have a hunting license. There are plenty doves in Hancock County. They are more numerous in the second and third parts of the open season. Be a good sport, ask permission to hunt in personal fields before entering them. It's a good way to get to go
